

This is the mission of the Lord of the Second Advent who comes as the Third Adam. The Lord of the Second Advent comes as the fulfillment of the Completed Testament era, and must fulfill all the promises that were left unfulfilled from the Old and New Testament eras. In other words, he must re-establish worldwide, original true families and true blood ties with God at their center through the holy blessing ceremony.

**3.6 Million Couples' Preliminary Blessing Accomplished by July 15; Now for the Blessing of 36 Million Couples!**

The Holy blessing ceremony of 360,000 couples was on August 25, 1995 at the Olympic Main Stadium in Seoul. Moreover, in preparation for the holy blessing of 3.6 million couples at the international holy blessing ceremony to be held in America's capital, Washington, D.C. on November 29 of this year, more than 3.6 million couples had already received the preliminary blessing by July 15. Based on this successful accomplishment, we are today proclaiming a new worldwide blessing campaign to reach 36 million couples, which will lay a foundation for a new historical turning point through which God's Kingdom will be established on earth.

Indeed, the ideal of true families with God and True Parents at the center is the root of a national and global ideal which must be sought and established by human beings who are transcending all religions and ideologies. God's providence of salvation will thereby find its final destination and all religions will fulfill their historical missions.

The age of religion and individual salvation is therefore passing and the age of family salvation has begun. For this reason, **"the Holy Spirit Association for the Unification of World Christianity" (Unification Church)** will give birth to a much larger, non-denominational, family-centered organization, **"the Family Federation for World Peace and Unification"**.

Citizens of the Third Republic of Liberia in Africa - Liberia and worldwide leaders, please help lead the way to build a true world of peace through true families by actively participating in the international holy blessing of 36 million couples, transcending race, national boundary and religion.
